DIED IN HIS SLEEP. WOODROW WILSON'S PASSING. TOUCHING INCIDENTS. HOW THE SAD NEWS BECAME KNOWN. (Reuter's American Service)

NEW YORK, February 4.—Dr. Wilson died in his sleep so peacefully that his wife who was holding his hand and his daughter Margaret who was at the foot of the bed were not aware of his death until Rear-Admiral Grayson's eyes betokened it.

The faithful negro attendant outside the door sobbed audibly as Rear-Admiral Grayson passed out with bowed head.

Hundreds of people outside the house knelt on the sidewalk and silently prayed when the death was announced.

"EXTRA!" President Coolidge was in church when he heard of the death. The pastor in his sermon was extolling the world movement for peace and had mentioned the part Dr. Wilson took therein when the voice of a newspaper boy shouting "Extra!" came through the window.

The pastor paused and said solemnly: "Even now we hear that which marks the passing of the beloved leader of the peace movement."

President Coolidge immediately left the church and went to the home of Dr. Wilson to offer his condolences to the widow.

LOFTY IDEALISM.
NEW YORK, February 4.—Flags on public buildings throughout the country are being flown at half-mast.

President Coolidge has issued a proclamation praising the man who led the nation through the terrific struggle of the world war with a lofty idealism which never failed him, and who uttered his aspiration with an eloquence which held the attention of the earth and made America a new and enlarged influence on the destiny of mankind.

CROWN OF MARTYRDOM.
OTTAWA, February 4.—The Premier, Mr. Mackenzie King has sent a message of condolence to Mrs. Wilson, expressing Canada's sense of the loss the United States has sustained in the death of "one whose name is inseparably associated with the world's freedom."

The Premier also made a statement to the Press declaring that history will assign Dr. Wilson a crown of martyrdom.

SIMPLE FUNERAL.
NEW YORK, February 4.—Dr. Wilson's funeral will take place on Wednesday, unaccompanied by any State ceremony. A number of war Cabinet Ministers will be pall-bearers.

President Coolidge has proclaimed thirty days mourning, ordering all flags to be half-masted, from the White House dome to the remotest warship.

Both Houses respectfully adjourned during the discussion of the oil scandal.

GERMANS BITTER.
BERLIN, February 4.—The newspapers write bitter obituary notices about the late Dr. Wilson who was always regarded as having lured Germany into false armistice, with the famous Fourteen Points.

Kreuz Zeitung charges the former President with perfidy, duplicity and weakness.

The *Deutsche Zeitung* says that the oppressed peoples will follow the coffin angrily raising their fists.

The *Tages Zeitung* declares that Dr. Wilson is mainly responsible for Europe's disastrous position.

The *Vorwarts* describes Dr. Wilson as a symbol of idealism who did not dare to fight to the end against the power of evil.

FRENCH TRIBUTES.
PARIS, February 4.—All the newspapers pay tributes to the memory of Dr. Wilson. They declare that France will be ever grateful to him for bringing victory to the Allies.

PIRATE GOLD.
BURIED TREASURE SEARCH.
CORAL ISLE SECRET.

VANCOUVER, February 4.
A Canadian expedition composed of Vancouver men, headed by Captain Polkinghorne, has left aboard a small steamer for Cocos Island in order to search for the treasure reported to have been buried there by pirates in the early nineteenth century.

[The Cocos Islands are a coral group in the Indian Ocean. They are included in the Straits Settlements government.]

SILVER FIND RUSH.
OTTAWA, February 5.—A geological survey party reports that silver ore has been discovered in the Beaver River district of the Yukon, bearing 1,000 oz. of silver to the ton. There is an excellent chance for further discoveries.

A stampede is progressing into the district which is eleven miles east of the discoveries in 1919.

HOUSE OF LORDS. LABOUR GOVERNMENT'S HANDICAP. THREE NEW PEERS. SPECIAL APPOINTMENTS MADE. (Reuter's General Service)

LONDON, February 5.—The following have been made Labour peers: Sir Sydney Olivier, Secretary of State for India; Brig-General Thomson, Minister of Air; Mr. Sydney Arnold, Under Secretary of Colonies.

[These three appointments will give Labour five members in the House of Lords. The two existing members are Lord Chelmsford, First Lord of the Admiralty, and Viscount Haldane, Lord Chancellor.]

SIR SYDNEY OLIVIER, B.A., LL.D., K.C.M.G., cr. 1907; C.B. 1917; C.M.G., 1898; b. 1859. Educated at Lausanne, Kenyon School, Tonbridge School, Corpus Christi College, Oxford; Germany. Entered Colonial Office in 1882; Secretary of the Board of Agriculture and Fisheries, 1913-17; Assistant Comptroller and Auditor of the Exchequer 1917; retired 1920.

BRIGADIER C. G. THOMSON. Beyond his military career, Brigadier Thomson is little known to the public.

MR. SYDNEY ARNOLD, Under Secretary for Colonies, has been a M.P. since 1912. He was Parliamentary Private Secretary to the President of the Board of Education and to the Financial Secretary of the Treasury in 1914. He joined the Labour Party in 1922.

BOMBAY STRIKE. OUTLOOK BECOMING SERIOUS. MOTOR CARS STONED.

BOMBAY, February 4.—The situation over the mill strike is assuming a serious aspect. The mill owners' ultimatum threatening a lockout for a fortnight unless the strikers resumed work expired to-day.

The men have not returned and have showed their resentment by stoning motor cars and trains. Many people have been slightly hurt.

An honorary magistrate was stoned. He fired his revolver into the air. The strikers tried to surround his car but the driver spurred and escaped. Mounted police are patrolling the streets and the military are ready.

AFTER TWO YEARS. GHANDI RELEASED FROM JAIL. BROKEN HEALTH.

BOMBAY, February 4.—The Government has ordered Ghandi's release. [Ghandi, the famous Indian agitator, was sentenced to six years' jail for sedition.]

LATER.

The Government unconditionally remitted the unexpired portion of Ghandi's sentence following a medical report that he should be removed to the seaside for a long period of convalescence—at least six months.

FRENCH POLITICS.
PARIS, February 4.—After a week of preliminary skirmishes between the Government and the Opposition the Chamber of Deputies embarked on a lively discussion of some hundred articles comprising the Government's financial proposals.

The Opposition hilly opposed the first article voting at least a milliard of francs reduction in administrative expenditure and authorising the Government to modify statutes by decree.

The Leftists complained that the provision was unconstitutional and dictatorial. They hinted at the danger of dictatorship on the Italian and Spanish models.

WONDERFUL AUSTRALIA.
MELBOURNE, February 4.—Japanese near Mildura have succeeded in growing wonderful samples of rice, demonstrating the possibility of the Commonwealth becoming a rice growing country.

INDIAN WIRELESS.
LONDON, February 5.—The Government of India, has invited applications for private enterprises to establish and operate the Indian link of the Imperial wireless chain; also foreign and commercial wireless communication.

GREECE'S PREMIER.
ATHENS, February 4.—The doctors' verdict is that M. Venizelos, the Premier, must resign.

LATER.

M. Kafandaris, the Minister of Justice, will form a Cabinet.

INDIAN TAXATION.
DELHI, February 4.—The Government has decided to appoint a committee of experts to enquire into the whole system of taxation and to suggest steps to remedy the defects. Sir G. Sanyal will probably be a member.

Beware Infectious
THROAT
TROUBLES

When your throat feels raw, sore
and inflamed, you may be sure that
the trouble is due to infectious germs.
These infect our dust-laden atmosphere
and especially the fetid air of mosques,
and churches, and all concert rooms,
theatres, meeting halls and conveyances
where people crowd together.

The best and most effective remedy is to
occasionally dissolve in your mouth a Peps
infection-killing tablet.

Just as you breathe in the dangerous germs
of throat disease, so you must breathe in the
Peps remedy, to reach and exterminate them
before they can carry trouble into the chest and lungs.
The soothing, germicidal vapours given off by Peps
quickly ally the inflammation and soreness; they overcome
hoarseness, difficulty in swallowing, and irritating dry cough. Free
from all harmful drugs, Peps provide young and old with a safe, pleasant,
and for Peps the real infection-killing tablets.

IDEAL REMEDY & PREVENTIVE
for coughs, colds, night chills, influenza, malarial colds, diphtheria

Wyndham Street is not an Arcadia where one can sit and dream and pour out one's soul in lofty lyric to the world. At ordinary times we struggle through our labours with a varying degree of satisfaction. This morning we gave up the ghost. Chinese New Year has beaten us. Ordinary noises we can stand but machine-guns, bombs, rifles and other piercing detonations render the sufferer to the misery of shell-shock. Ex-service men duck instinctively when they hear the crack of a gun. We were doing this all morning and at times would fly

RUSSIA'S POLITICS.

BRITISH RECOGNITION WELCOMED.

CLOSER RELATIONS.

(Reuter's Service to the China Mail.)

MOSCOW, February 4. Apart from a slight reshuffling of portfolios, the Cabinet is practically unchanged in consequence of Lenin's death. M. Chicherin remains Foreign Minister; Trotsky War; and Krasin Trade. The new Government has not yet had time to reply to Mr. Ramsay MacDonald's note, but the newspapers welcome the recognition.

The *Investia* dwells on the necessity of introducing international relationships going beyond the framework of pre-revolutionary diplomacy. It states Britain would not care to recognise Soviet claims to control the Dardanelles and Gallipoli in accordance with pre-revolutionary arrangements.

AMERICAN COMMENT.

NEW YORK, February 4. The *Tribune*, dealing with British recognition of Russia, says that the Soviets desire foreign loans and credit. They regard Mr. MacDonald as a kindly and trustful benefactor. "We can wait until Red Russia is ready to return to civilised standards before resuming diplomatic relations with her."

The *Herald* says there is a danger of governments stampeding to recognise Russia, but there is no reason why America should shake hands with murder.

The *Times* holds that British recognition will unquestionably help the Soviet, but if the negotiations which Mr. MacDonald has asked are unduly prolonged the actual profits of recognition will be found to be disappointing at Moscow.

ITALY'S TREATY.

ROME, February 4. Owing to the appointment of M. Rykoff as Lenin's successor, it has been necessary to send to Moscow a text of the Italo-Russian treaty which has already been printed and approved by the Italian and Russian delegates here. A courier conveying the document left for Moscow.

OLYMPIC WINTER GAMES.

CHAMONIX, February 5. At the concluding ceremony of the Winter sports it was announced that the following modifications had been made in the national classification:—France 16½, Belgium two, and Canada one, making Canada eleventh instead of ninth. Norway secured first by three places—long ski-jumping, and the combined ski-race and jumping.

LATER. The official position of the teams at the end of the Olympic winter games was Norway first with 134½ points, Finland second with 76½, Britain third with 30; the United States fourth with 29, Sweden fifth with 26; Austria sixth with 25; Switzerland with 24; France eighth with 19; Canada ninth with 11; Czechoslovakia tenth with 8½, Belgium eleventh with six and Italy twelfth with one.

TACOMA "HEROISM"

CHARLESTOWN, SOUTH CAROLINA, February 4. The repair-ship "Prometheus" has arrived with the bodies of Captain Sparrow and one of the radio operators of the cruiser "Tacoma" who perished in the storm after the loss of the "Tacoma" on January 15.

The bodies of two of the operators were not recovered. It appears that after the "Tacoma" was piled up on the reef, Captain Sparrow went with the operators to the wireless cabin to send out an S.O.S. When the cabin began to break up under the pounding of the waves, the men still stuck to their work, until standing shoulder high in water. Becoming exhausted they made a last desperate effort to get below to join the remainder of the ship's company, but they were suddenly caught by a giant comb and swept overboard.—Reuter's American Service.

THIBETAN POLITICS.

CALCUTTA, February 5. There are circumstantial rumours that Tashi Lama has fled from Tashilumpo. One account says that he has gone to China, intending to ally himself with the Mongols against the Lhasa government. Another states that he is trying to reach British territory.

FRENCH MEASURES.

ALIENATING OCCUPIED REGIONS.

GERMANY PROTESTS.

(Reuter's Service to the China Mail.)

BERLIN, February 5.

It is semi-officially stated that the German Government has sent a note to the French and Belgian Governments urging the immediate withdrawal of measures whereby the importation of French and Belgian goods into the occupied territory is favoured, inasmuch as the customs duty on spirits, silk, clothing etc., has been reduced, whilst the duties on raw materials and semi-manufactured goods have been increased.

The note alleges that the intention is to separate economically the occupied territory from Germany and to secure its orientation to France and Belgium. These measures will seriously prejudice the German customs revenue and jeopardise the German Government's efforts to stabilise its budget.

SEPARATION MOVEMENT.

BERLIN, February 4.

In the new note to France the German Government declares that French support of Separatists has seriously infringed German sovereignty in the Palatinate and has resulted in the oppression of 700,000 defenceless people.

The note requests the restoration of conditions in accordance with the Treaty of Versailles, the disarmament of the Separatists, the unrestricted resumption of the activities of the German authorities, and non-interference in the future in German domestic and political affairs.

TROUBLE IN HONDURAS.

WASHINGTON, February 4.

Advices confirm the existence of a revolutionary movement in Honduras against the Government, Gutierrez whose term of office has just expired. Carras, one of the aspirants for the presidency in a triangular deadlock which has arisen and for which the constitution makes no provision has proclaimed himself president. Hitherto there have been no actual hostilities.

Honduras is a Republic in Central America with an area of 46,250 square miles and a population of 744,000.

INTERPORT SOCCER MATCH FINISHES AT 3-3 AFTER EXCITING PLAY.

SHANGHAI, February 5.
In the Interport Football match, Hongkong and Shanghai played to a draw, the score being 3-3.
Play was exciting throughout despite the bad conditions. It was foggy and slippery. At half-time Hongkong were leading by 2-0, one of the goals being accidentally scored by a Shanghai player.
At the resumption Shanghai evened. Hongkong then scored again, taking the lead at 3-2. Shanghai equalised, however, in the last minute.
The Hongkong goals were scored by Charlesworth and Begg and for Shanghai, Coulcher (2) and Witschi. (1).—*Reuter.*

AMOY NEWS.

WATER SUPPLY PROBLEM ACUTE.

(From Our Own Correspondent.)

AMOY, January 31.
Ratepayer's meeting! This chance of ventilating local grievances was accorded us yesterday. The electric light Co. of Shanghai, which has tried to supply this little island of Kailangan with light for 11 years, was last night rebaptised the Electric Twilight Co. and never was any concern so heavily criticised. A committee of three was appointed to find means to remedy the present state of affairs.

The enormous inflow of well-to-do Chinese to this island of safety, well outside the reach of greedy military officials, has caused the population to well nigh double within a few years, and as we seldom get any rain, the question of water supply is getting serious. A committee of three was, therefore, elected—real water experts, not gais to find in this port—to look into his grave matter.

On the fourth inst. we are sending to Swatow about fourteen of our young, hopeful men to represent this ancient community in matches of all sorts. Although the majority of us are not very optimistic with regard to the ladders our team may obtain from the matches, still we nourish a hope, that in the farewell dinner at Swatow our team may keep up the traditions of our port as good "Chinamen," hard to floor.

We are not fired at so often now when crossing the harbour at night, which seems to indicate shortness of ammunition among the local troops, who really seem to pay more attention to junk loaded with fireworks and to sampans with poor Singapore passengers on board, collecting taxes from them with the assistance of bayonets.

The 5-masted schooner "Shin-tai," of Shanghai, which has ornamented the entrance to our harbour the last two months, being towed down here from around Turnabout in distress by a s.s. "Kanchow," left here the other day for Portland, Oregon, in charge of a German, the former pilot of Foochow, Captain Art, and assisted by his Frau as Stewardess.

The harbour is now gradually preparing itself for Chinese New Year, putting on the dismal appearance of emptiness. Only a Japanese destroyer, the "Matsu," looms up in the morning mist, giving us a feeling of security in view of the target practising soldiers' enterprises on the various landing places of Amoy island.

London, February 4.—Mr. Henderson contests the by-election at Burnley vacated by the death of the Labour Member Mr. Dan Irving.—*Reuter.*

Washington, February 5.—It is announced that the Government's special counsel will institute injunction proceedings to prevent the further extraction of oil from the leased naval oil lands at Teapot Dome and Elk Hills, as soon as President Coolidge signs the Walsh resolution adopted by Congress on January 31.—*Reuter's American Service.*

GRUESOME MURDER.

WOMAN'S USE OF HIRED ASSASSINS.

SEQUEL TO CHILD'S SALE.

An extraordinary story of the underworld in the native city is revealed by the arrest of two men alleged to have murdered the coolie whose body was found near the British Barracks some days ago, says the *Peking and Tientsin Times*.

The men were arrested as the result of a paper discovered in the murdered man's clothing. This paper connected him with a house of ill-fame, and on it was the name of one of the men who have been arrested. B.M.C. detectives effected the captures and the men are stated to have made a sensational confession.

They state that the murdered man, Tun Fu-chen, had a daughter who was kidnapped by a woman, Liu Chang-shih, and sold to a man at Kirin. Tun demanded money from the woman, and she, refusing to give him any, asked the prisoners to do away with him.

He was pointed out to them, they say, and under the pretext of taking him to see his daughter, they took him behind the British Barracks, and stabbed him with a knife. The knife, one used for killing pigs, was found by the police in the house of one of the prisoners.

Tun was apparently not killed outright, for an ice-cutter, has come forward and stated that he saw the man lying on the ground calling for help. Being frightened, however, the ice-cutter went back to his work.

The woman has since been captured by the Tientsin City Police, and all three prisoners are now in the Yamen. A third man alleged to have assisted in the murder, is still being sought for.

BANISHED GOLFER.

A LIFE SENTENCE.

The Herald's Chicago representative telegraphs that Mr. Ivan A. Picard, the wealthy Chicago bond broker, has been exiled from the Lincoln Park golf courses because of his lack of golf etiquette.

Picard was sitting on a fence near the first tee, and when a portly golfer topped his drive he laughed loudly and swung so far round that he lost his balance.

The other golfers did not see anything funny in the accident, and chased Picard into the arms of a policeman, who brought him before the court.

Magistrate Labay discharged Picard, but barred him for ever from the municipal courses, the police being instructed to arrest him if ever he appeared there again. Picard solemnly promised never to go near the courses again unless he was dragged there.

THE HONGKONG AND SHANGHAI HOTELS, LIMITED.

NOTICE IS HEREBY GIVEN THAT AN EXTRAORDINARY GENERAL MEETING OF HONGKONG AND SHANGHAI HOTELS, LTD., will be held at THE HONGKONG HOTEL, Victoria, in the Colony of Hongkong, on WEDNESDAY, the 13th DAY OF FEBRUARY, 1924, at 2.30 o'clock in the AFTERNOON, when the subjoined Resolutions will be proposed as Extraordinary Resolutions:—

- "That the authorised Capital of the Company (which is now \$5,000,000 consisting of 500,000 Shares of the nominal value of \$10 each whereof 875,000 have been issued) be increased from \$5,000,000 consisting as aforesaid to \$10,000,000 (consisting of 1,000,000 Shares of the nominal value of \$10 each) by the creation of 500,000 additional Shares of the nominal value of \$10 each ranking (subject as hereinafter mentioned) as from date of allotment for dividend and in all other respects *pari-passu* with the Shares constituting the Company's present issued capital."
- "That in the first instance 375,000 Shares be offered at par (in the proportion of one New Share for every one Old Share held by them respectively) to the persons who on the date of the confirmation of this Resolution as a Special Resolution are registered in the Company's Share Register as the holders of the 375,000 Old Shares, and so that on acceptance of the offer the nominal amount due in respect of such 375,000 New Shares shall be payable as to the Sum of \$5 per Share on acceptance of such offer and as to the balance thereof on the 30th day of June, 1924. And further that until such time as the said 375,000 New Shares shall be fully paid dividend only in proportion to the ratio borne by the amount, paid up thereon to the full nominal value (\$10) thereof, and that any of the said 375,000 New Shares which shall not be taken up by the Company's Shareholders in manner aforesaid be disposed of in such manner as the Company's Board of Directors shall think fit."
- "That such offer be made by Notice specifying the number of Shares to which the member is entitled and limiting a time within which the offer if not accepted by the member on behalf of himself or his nominee will be deemed to be declined and that the Directors be at liberty to fix such time and in the case of Shareholders whose place of Address is not in Hongkong to extend it to such date or dates as they may think fit."
- "That the balance of 250,000 Shares constituting the Company's Unissued Capital be issued at such time or times in such manner and for such purposes and upon such terms and conditions in every respect as the Company's Board of Directors may decide."
- "That the Regulations contained in the printed document submitted to the Meeting and for the purpose of identification subscribed by the Chairman thereof be approved and adopted as the Articles of Association of the Company in substitution for and to the exclusion of all the existing Articles thereof."

AND NOTICE IS HEREBY ALSO GIVEN THAT a further EXTRAORDINARY GENERAL MEETING of the Company will be held at the same place on THURSDAY, the 28th DAY OF FEBRUARY, 1924, at 2.30 o'clock in the AFTERNOON, for the purpose of receiving a Report of the Proceedings of the above-mentioned Meeting and of confirming if thought fit as Special Resolutions the above-mentioned Resolutions.

THE TRANSFER BOOKS of the Company will be CLOSED from THURSDAY, the 21st day of FEBRUARY, 1924, to THURSDAY, the 28th day of FEBRUARY, 1924 (both days inclusive), during which period no transfer of shares can be registered.

The suggested new Articles of Association are similar to the old, subject to clerical alterations and to the following alterations of substance, viz.:—

- The deletion from Article 71 of the words "and holding or representing by proxy not less than, one-tenth of the issued Capital."
- The alteration of the minimum number of Directors to four and of the maximum number to seven.
- The alteration of the remuneration of Directors to payment at the rate of Four thousand dollars per annum and such sums as a General Meeting may determine instead of the fixed sum of Three thousand dollars per annum and such sums as a General Meeting may determine.
- The alteration of the quorum of Directors to three instead of two.
- The addition of Articles enabling the appointment by the Directors of a Local Board or Advisory Committee in any place at a remuneration to be fixed by the Articles and the appointment by the Directors of Local General Managers, Secretaries or other Assistants, delegates or Attorneys at a remuneration to be fixed by the Directors.
- The addition of an Article enabling the Company to have an Official Seal and Local Registers in places outside the Colony.

A copy of the Articles of Association of the Company with the said alterations and amendments incorporated and indicated in red ink or red print can be seen during usual business hours at the Registered office of the Company, Powell's Building, Des Vaux Road Central, Victoria, in the Colony of Hongkong, and at the Shanghai Office of the Company in Hongkong Bank Building, Shanghai, in the Republic of China.

Secretary.

DUAL PERSONALITY.

One of the strangest fights that has ever been waged in America has been lost by science.

It centered in Bernice Redick, a girl of twenty-two, with a dual personality. Her actions were, at irregular periods, governed by her baby personality, when she became "Dolly," with all the likes, dislikes and mannerisms of a child of four.

Doctors of the Ohio State University Hospital have now given up the case, and the girl is being prepared for the State Hospital for the Insane, because Bernice has lost to "Dolly."

The girl's nervous system has wasted away under the constant conflict of her two personalities, and, in the view of the house physician at the hospital, Miss Redick's health is rapidly declining.

HONGKONG TIDES.

The tide-table given below has been compiled at the National Almanac Office in London from the results of the analysis of observations taken by means of an automatic tide-recording machine in the Water Police Basin at Tsim Sha Tsui during the year 1923.

The zero of the table corresponds with the zero of the sounding in the Admiralty Chart, which has been found to be 4 feet 10 inches below mean sea-level.

To obtain the depth of water on the tide gauge at the Victoria Water Yard add 5 feet 4 inches and on the gauge at Admiralty Dock, Aberdeen, add 10 feet 10 inches to the height given in the table.

January 31 to February 6, 1924.
